

Custom Made To Order...M12 In-Line Cable Connectors

Model TR1

We've made it more convenient than ever to configure encoders with the popular M12 cable and connector by expanding our range of standard cable options.

Now, you can specify cables with 5-pin or 8-pin M12 in-line connectors in one foot increments, up to 6 feet in length, without incurring a non-standard price adder.

Ordering Information:

Length	5-pin M12	8-pin M12
1 Ft	J01	K01
2 Ft	J02	K02
3 Ft	J03	K03
4 Ft	J04	K04
5 Ft	J05	K05
6 Ft	J06	K06

In-line M12 Connectors are available on these popular Accu-Coder™ models:

Model 15S

Model 260

Model 15T/H

Model 755A
